Hennessy Gold Cup Facts & Figures

Background information

First run at Cheltenham in 1957, the Hennessy Gold Cup was transferred to Newbury three years later and has established itself as one of the most prestigious races in Jump racing.

The three and a quarter mile handicap chase boasts a rich history with greats such as Arkle, Mill House, One Man and more recently Denman all having taken the spoils during their illustrious careers.

Hennessy has been associated with the race since its inception, making the Hennessy Gold Cup the longest running commercial sponsorship in British racing. The race's value for this year's 59th running has risen to £200,000, an increase of £25,000 over 2014. Prize money for the three-day bet365 meeting, featuring the Hennessy Gold Cup, has increased by a total of £85,000 (15 per cent) this year to £663,100.

Multiple winners

There have been three dual winners of the Hennessy Gold Cup – Mandarin (1957 & 1961), Arkle (1964 & 1965) and Denman (2007 & 2009).

Arkle narrowly failed in his bid for a famous hat-trick when going down by a half-length to 25/1 shot Stalbridge Colonist, to whom he was conceding 35lb, in 1966. Denman attempted the hat-trick in 2010, coming home third under top-weight. It is likely that Bobs Worth, successful in 2012, will attempt a second victory this year.

Most successful owner

Peggy Hennessy (Mandarin 1957 & 1961), Anne Duchess of Westminster (Arkle 1964 & 1965), Trevor Hemmings (Trabolgan 2005 & Many Clouds 2014) and Paul Barber/Maggie Findlay (Denman 2007 & 2009) are the most successful owners with two wins apiece.

Most successful trainer

The late Fulke Walwyn made the Hennessy his own, with seven victories between 1957 and 1981. They came courtesy of Mandarin (1957 & 1961), Taxidermist (1958), Mill House (1963), Man of the West (1968), Charlie Potheen (1972) and Diamond Edge (1981).

Among the current trainers, Nicky Henderson (2005 Trabolgan, 2012 Bobs Worth & 2013 Triolo D'Alene) and Paul Nicholls (2003 Strong Flow, 2007 & 2009 Denman) are the most successful with three wins apiece.

Three female trainers have won the Hennessy Gold Cup – Jenny Pitman with Burrough Hill Lad in 1984, Venetia Williams with Teeton Mill in 1998 and Lavinia Taylor with Gingembre in 2002.

Most successful jockey

Willie Robinson has been the winning-most jockey, with three wins aboard Mandarin (1961), Mill House (1963) and Man of the West (1968).

The three most successful current riders are Timmy Murphy, Barry Geraghty and Ruby Walsh with two victories each.

John Lawrence (Lord Oaksey) has been the only amateur rider to win the Hennessy, having teamed up with Taxidermist to score by a short-head in 1958. He bred and part-owned Caruthers (half-brother to 2015 Cheltenham Gold Cup winner Coneygree) who was victorious in 2011.

Overseas-trained winners

Ireland (3): Arkle (1964 & 1965), Bright Highway (1980)

Age

The breakdown of winners by age is as follows:

6yo – 11

7yo – 24

8yo – 10

9yo – 10

10yo – 2

11yo – 1

Greys

Five greys have won the Hennessy – Stalbridge Colonist (1966), One Man (1994), Suny Bay (1997), Teeton Mill (1998) and What's Up Boys (2001).

Field size

The biggest field came in 1962 when 27 runners faced the starter, while the smallest saw Stalbridge Colonist beat five rivals in 1966. The current safety limit is 24.

Betting

The longest priced winner of the Hennessy was Sibton Abbey, a 40/1 outsider in 1992, while the shortest-priced was Arkle who justified odds of 1/6 in 1965.

In the 58 runnings of the Hennessy, 16 favourites have obliged at a strike rate of 27.5 per cent.

Weights

A total of 30 winners have carried 11st or more to victory in the Hennessy Gold Cup, with the top-weight being defied eight times.

Those to carry top-weight are as follows: Mill House (1963), Arkle (1964 & 1965), Diamond Edge (1981), Burrough Hill Lad (1984), Trabolgan (2005) and Denman (2007 & 2009).

Ten winners have carried bottom weight of 10st, most recently Diamond Harry in 2010.

Winning margins

15 lengths is the longest winning margin - Knucklecracker 1960, Arkle 1965, Spanish Steps 1969 & Teeton Mill 1998

A short-head is the narrowest winning margin witnessed, when Red Candle got the better of Red Rum in 1973.

Did you know?

The Willie Mullins-trained Be My Royal was first past the post in 2002 but was subsequently disqualified after testing positive for a banned substance.

Bob Champion put up 4lb overweight when successful by five lengths on Approaching, who carried 10st 6lb in 1978, while Hywel Davies was 2lb over at 10st 2lb when Ghofar won by a neck in 1989.

Four horses have captured the Hennessy Gold Cup and the Cheltenham Gold Cup in the same season - Arkle, Bregawn, Denman and Bobs Worth – while Many Clouds is the only horse to have won both the Hennessy Gold Cup and Grand National at Aintree.

It is 50 years since the second Hennessy victory of Arkle, the greatest chaser ever seen.

Hennessy Gold Cup – 10 of the best winners

MANDARIN (1957 & 1961)

Mandarin was successful in the first Hennessy Gold Cup at Cheltenham in 1957, when he defeated the Gold Cup winner Linwell. Mandarin was also victorious when the contest switched to Newbury, following up with a second victory in 1961 and thereby providing trainer Fulke Walwyn with the first two of his record seven winners. Following the 1961 triumph, Mandarin went on to win the Cheltenham Gold Cup and France's greatest Jump race, the Grand Steeplechase de Paris. The small but admirably tough horse was owned by Peggy Hennessy, from the family of the sponsors.

MILL HOUSE (1963)

Winner of one of the most famous renewals, Mill House scored as a six-year-old under 12 stone in 1963 to become Fulke Walwyn's fourth Hennessy scorer. He had won the previous season's Cheltenham Gold Cup and followed up his Newbury victory by taking Kempton's King George VI Chase. This was the only race in which Mill House beat Arkle (11st 9lb), who finished third after slipping badly three fences from home.

ARKLE (1964 & 1965)

Arkle's two Hennessy Gold Cup victories are the greatest seen in the race's history. "Himself" won under 12st 7lb in both years, defeating Ferry Boat by 10 lengths in 1964 and Freddie by 15 lengths in 1965. The greatest chaser of all-time, who won the Cheltenham Gold Cup thrice, attempted a hat-trick in the 1966 Hennessy Gold Cup. Making his seasonal debut, he went down by half a length to the very useful Stalbridge Colonist, who was in receipt of 35lb.

BREGAWN (1982)

Bregawn gave trainer Michael Dickinson a Hennessy Gold Cup victory when victorious under Graham Bradley in 1982. Carrying 11st 10lb, he got up to beat stable companion Captain John by three lengths. Bregawn went on to lead home the trainer's "Famous Five" in the 1983 Cheltenham Gold Cup.

BURROUGH HILL LAD (1984)

The great Burrough Hill Lad made light of his 12st burden when taking the 1984 Hennessy Gold Cup by four lengths under John Francome, justifying 100/30 favouritism. Trainer Jenny Pitman's best-ever horse had won the Cheltenham Gold Cup the previous season and followed up his Hennessy Gold Cup win by taking the King George at Kempton Park.

ONE MAN (1994)

One Man carried the minimum of 10st to victory in 1994 when an unexposed six-year-old. The grey, trained by the late Gordon Richards, became one of the most popular chasers of the 1990s, taking the King George VI Chase twice before dropping back to two miles for a famous victory in the 1998 Queen Mother Champion Chase at the Cheltenham Festival.

TEETON MILL (1998)

The horse that put trainer Venetia Williams on the map, the grey Teeton Mill rose from the hunter chase ranks to win the 1998 Hennessy Gold Cup impressively 15 lengths under Norman Williamson. He was subsequently successful in Grade One company in the King George at Kempton Park and the Ascot Chase.

DENMAN (2007 & 2009)

The best winner of the current century, Denman twice defied top-weight when victorious in 2007 and 2009. He followed up his 2007 win by defeating stable mate Kauto Star in the 2008 Cheltenham Gold Cup and was also runner-up in the Gold Cup in 2009, 2010 and 2011. The Paul Nicholls-trained chaser made a gallant attempt to win a third Hennessy when third under top-weight in 2010.

BOBS WORTH (2012)

Became the latest of four horses to win the Hennessy Gold Cup and Cheltenham Gold in the same season when successful in 2012 for trainer Nicky Henderson. Bobs Worth went straight to Cheltenham following his impressive Newbury win over Tidal Bay. He also scored at the highest level in Ireland in the 2013 Lexus Chase at Leopardstown.

MANY CLOUDS (2014)

Although a number of Grand National winners have run in the Hennessy Gold Cup, most notably Red Rum who was runner-up to Red Candle at Newbury in 1973, no horse had managed to win both until Many Clouds in 2014/2015. Oliver Sherwood's charge, a hugely popular local winner of the Hennessy Gold Cup, was one of the best recent victors of the Grand National when defying 11st 9lb at Aintree four months later, with Leighton Aspell in the saddle both times.

Sir Peter O'Sullivan memorial race to take place at Newbury & broadcast live on Channel 4

Newbury Racecourse is delighted to announce that the official Sir Peter O'Sullivan memorial race will take place on Hennessy Gold Cup Day at the bet365 Festival, which this year is on Saturday, November 28.

The Sir Peter O'Sullivan Memorial Handicap Chase, worth £40,000 and run over two miles, six and a half furlongs, will be the third of seven races on the day, taking place at 1.15pm and Channel 4 Racing has brought forward the start of its broadcast to enable the race to be shown live.

The final commentary of Sir Peter's long and illustrious career was on the Hennessy Gold Cup of 1997, won by Suny Bay. O'Sullivan commentated on 40 of the first 41 runnings of the great race; the only one he missed was in 1983 when covering the Japan Cup in Tokyo. Incredibly, on that famous day in 1997, Sounds Fyne, owned by Sir Peter O'Sullivan, won the very next race on the card at Newbury.

The Sir Peter O'Sullivan Memorial Handicap Chase has been backed by the friends of Sir Peter.

Newbury Racecourse's CEO, Julian Thick, said: "We are delighted and honoured to be staging this race in memory of one of the true legends of the sport of horseracing.

"I know that this day was one Sir Peter looked forward to each year, so it is fitting that he is remembered at Newbury 18 years after his last ever commentary.

"I would like to thank the friends of Sir Peter for their support and also mention bet365, our partner for this race meeting, for agreeing to step aside and allowing Sir Peter's name to be linked with this race."

Mike Dillon, one of Sir Peter's closest friends, said: "This is the perfect venue as Newbury was very close to Peter's heart.

"We would like to thank Newbury and the sponsors for agreeing to stage this race and in particular Channel 4 for coming on air earlier to ensure the race receives the live coverage it deserves."

Explaining the decision to extend the Channel 4 Racing programme on November 28 in order to show the race, Stephen Lyle, Channel 4's Commissioning Editor for Sport, said: "Sir Peter O'Sullivan is a legend of both racing and broadcasting.

"Channel 4 is delighted to play a small part in this most fitting tribute to a man who will always be known as The Voice."

The Newbury press room has been renamed in Sir Peter O'Sullivan's honour too.

About Newbury Racecourse

Newbury Racecourse held its first race in 1905 and has long been one of Britain's leading tracks, staging up to 30 days of top class Jump and Flat racing annually, with at least one raceday in every month of the year.

The highlight of Newbury's Jump racing programme is the Hennessy Gold Cup, a handicap chase over an extended three and a quarter miles, which usually takes place in late November, and is the longest-running commercial sporting sponsorship in the world. 'The Hennessy' is one of the most prestigious and sought after prizes (now worth £200,000 – up £25,000 from last year) in the sport and is the focal point of the three-day bet365 Hennessy Festival. The 2014 winner Many Clouds went on to win the 2015 Crabbie's Grand National at Aintree.

On the Flat, Newbury's high-quality programme includes the Al Shaqab Lockinge Stakes in May, with the Group One race over a mile worth £350,000. It has been won by many of the greats of the sport, including Frankel in 2012.

The racecourse is also a thriving events venue, hosting a huge range of activities including weddings, concerts, and conferences for 20 to 1,000 attendees for a wide spectrum of businesses and organisations in stunning surroundings. In addition, it runs a successful private nursery, providing a safe, happy and stimulating learning environment for many pre-school children.

Newbury is now home to a major housing development by David Wilson Homes, allowing people to live in a unique location alongside a world-renowned sporting venue, which also benefits from its own golf course in the centre of the racecourse and a Nuffield Health Club.
